Check Clues In Slaying Of N. M. Trio

Texas Desperado Is Suspect In Death of Women

Fingerprints and photographs of two bandits have been sent to Hobbs, N. M., by North Vernon, Ind. police on the chance they might be involved in an unsolved triple slaying there, according to the Associated Press.

The bandits were Ralph Walker Taylor, 36, Kenova, W. Va., and his partner, Victor Wayne Whitley, 26, Granger, Texas.

Taylor was shot dead with three police bullets near North Vernon. Whitley gave up as a ring of peace officers drew in on a thicket of brush where he hid.

Three Slain

Last July 23, about 36 miles west of Hobbs, N. M., J. D. Cantrell, a truck driver from Carlsbad, N. M., stopped to help two young Hobbs women fix a flat tire.

Someone shot him with a .22 caliber gun.

Then the two women, Mrs. Barbara Edwards Lemmons and Mrs. Dorothy Fern Gibson, were shot. An oil field worker found their bodies hours later on an isolated road.

22 Caliber Bullets

The three were killed with 22 caliber bullets. Mrs. Gibson's car, with a flat tire, was found parked with Cantrell's truck where the driver was slain.

Whitley, Indiana police say, has admitted he and Ralph Walker Taylor of West Virginia, staged a cross-country crime spree before a two-state flight started Monday afternoon in Michigan.

In their wake the killers left the two dead policemen and three other wounded.

Students Boo Little Rock 9

By United Press
LITTLE ROCK, Oct. 2. — Nine Negro students entered Central High School without a troop escort this morning. They were greeted by jeers and catcalls from some 40 white students who had been assembled on the school steps.

The Negroes, six girls and three boys, were driven to school as usual in an Army station wagon preceded and followed by jeeps of National Guardsmen. The convoy arrived at the front of the school at 8:20 a. m.

The students got out and walked unescorted across the campus. Instead of walking up the front steps, as on previous days, they veered and entered the building through a side entrance on the ground level.

A group of 40 to 45 white boys and girls stood on the steps awaiting their arrival.

Mrs. Lucius C. Bates, Arkansas president of the NAACP, said the students had "a terrible day" at school yesterday.

'A Terrible Day'

Mrs. Bates said pencils, papers and pebbles were thrown at the children. She said the girls were shown knives and were shoved.

"When they asked a guard about reporting the incidents he just moved away," the Negro woman said. "They (the children) got no protection."

Meanwhile, two white students were suspended by Central High Principal Jess Matthews for their role in chasing and kicking two of the Negro students inside the school this morning.

Crowd of 50 to 150

The suspended youths said they chased Terrence Roberts and Jefferson Thomas, two of the three Negro boys in the integrated group, along with a crowd of "50 to 150" other white students and that National Guardsmen in the school "just looked" without interfering.

One of the white students explained: "We just wanted to make it so unlivable for the Negro students that they would leave school."

LITTLE LIZ

Men aren't like machines. They are never quiet when they are well oiled.

Texas Western Alumni Outline Homecoming

Texas Western College alumni will get a chance to sing their old college songs when they attend the registration party opening event of Homecoming Weekend, Nov. 8-9.

At a meeting of subcommittee chairmen of homecoming committees last night, Mrs. Cecil C. Meacham, chairman for the registration party, said her committee was planning a songfest.

The registration party, first student activity of Homecoming Weekend, will be held in the victory room of the Chamber of Commerce building.

During last night's meeting, held in the home of Mrs. George Kistenmacher of 837 Turney boulevard, plans were discussed for the homecoming parade, awards banquet, and notification of members of the Ex-Students' Assn. of homecoming events. Luis Perez, homecoming chairman, was in charge of the meeting.

Rudy Telez, committee chairman in charge of the homecoming parade Nov. 9, said that high school bands in the area will be contacted and invited to participate. The Showettes, El Paso twirling group, which won numerous honors at the Panhandle-South Plains Fair in Lubbock last week, will also March in the parade.

Highlight of the parade will, as usual, be the procession of floats entered by TWC organizations. Mr. Telez said outstanding judges are being obtained to judge the float competition, and trophies will be purchased for the winners in the various divisions. The floats will conform to the theme of the parade — "The '7 Homecomings' — the homecomings of 1927, 1937 and 1947.

Annual Banquet
Mrs. Kistenmacher, in charge of printing, said former students will receive two notifications of the schedule of homecoming events.

The site of the awards banquet, when the outstanding former students and faculty members with long service to the college are honored, will be selected soon, Dave Cohen, subcommittee chairman in charge, said.

The homecoming crowd will be swelled by the presence of four train carloads of Arizona State College students, making their student trip to see the Sun Devils play the Texas Western Miners.

American's Death Stirs White House

By United Press
PORT AU PRINCE, Haiti, Oct. 2. — Official American charges that a U. S. citizen was beaten to death while in police custody brought relations between Washington and Haiti's ruling military junta to a state of crisis today.

The American, Shibley Talamas, was picked up Saturday night for violating the curfew while out seeking a doctor for his wife.

A three-man U. S. medical team examined the body of Talamas, and said the chubby, 30-year-old American, was beaten to death despite statements by the Haitian military government he had died of a "heart attack."

'The Traveler' Pleads Guilty to Hot Checks

By Associated Press
LOS ANGELES, Oct. 2. — A man accused of passing \$500,000 in worthless checks across the nation in 14 years has pleaded guilty to five counts of forgery.

Municipal Judge C. Newell Carns yesterday ordered Charles R. Speedie — known to police as "The Traveler" — to appear in Superior Court Oct. 8 for sentencing.

Police say Speedie, arrested last month in a Cleveland suburb, is wanted in seven states and 130 California municipalities in connection with bogus checks.

Patterson Inquiry Considered

Friend of Couple Missing 7 Months Plans Action Soon

By BRICE ARMSTRONG
El Paso Garage Owner Cecil Ward today said he will ask County authorities to call a "court of inquiry" into the disappearance of Mr. and Mrs. W. D. Patterson "if something doesn't turn up soon."

"I'm going to give everybody the benefit of the doubt," Ward said, "but I will ask Sheriff Hicks and District Attorney Clayton to call a court of inquiry at the proper time, if necessary."

Ward, a long-time friend of the missing couple, indicated he thinks the "proper time" is drawing near.

Missing Seven Months

The Pattersons, owners of the Patterson Photo Supply Co. here, have been missing almost seven months. They dropped out of sight sometime the night of March 5.

Since then, none of their friends or family have received any word from them.

Ward asked Sheriff Hicks to begin a "missing persons" search for the couple after they had been gone almost five months.

If a court of inquiry were called, all persons believed to have information regarding the Pattersons' disappearance or their whereabouts would be subpoenaed to testify under oath before a court.

Many 'Not Talking'

Deputy Sheriff John Frizzell, in charge of investigation of the Patterson case, has complained that "a lot of people (who should know something about the missing couple) aren't talking."

He said he finds their attitude "intriguing."

Ward said he has hesitated in the past to ask if a court of inquiry could be called "because I wouldn't want any innocent persons hurt in any way."

"As far as we can determine, they didn't even hint to anyone they were going to leave town. The fact that they did leave suddenly and their actions since — rather, their lack of action — certainly doesn't follow their past pattern of doing things."

"It certainly looks peculiar," District Attorney Clayton said he believed an inquiry court "could be called by any interested party."

Air Conditioning Failure Timed Perfectly

When the air-conditioning failed to work in the new City-County building today Judge M. V. Ward of County Court-at-Law dismissed a panel of 20 jurors and postponed a civil suit trial.

"In these crowded quarters I am afraid everybody in here will develop a headache from lack of ventilation," Judge Ward told the jurors, witnesses and lawyers.

"And besides," commented the judge with a twinkle in his eyes, "the World Series' first game starts in 45 minutes."

Arkansas Governor Slippery With Ike

Faubus Pulls New Switch—What's Going to Happen in Arkansas?

By International News Service
WASHINGTON, Oct. 2. — President Eisenhower today scheduled a news conference for tomorrow morning, obviously to discuss his dispute with Governor Orval Faubus over the Little Rock school crisis.

White House News Secretary James C. Hagerty said that Faubus' latest statements have made Mr. Eisenhower's views on refusing to withdraw Federal troops from Little Rock "more apt than ever."

Hagerty said that there would be no further White House comment on the matter pending the President's meeting with newsmen at 10:30 a. m.

By JACK STEELE
WASHINGTON, Oct. 2. — A new and now more difficult search for a solution to Little Rock's integration problems began today after President Eisenhower's rejection of a "conditional" offer of surrender by Arkansas Governor Orval Faubus.

Faubus, who once before had accepted what the President thought was a solution to the Little Rock troubles and—in White House opinion—ran out on it, did it again last night.

WORLD SERIES ONE — Milwaukee Braves' Del Crandall (1) barrels into second base, but is nabbed by New York Yankees' Gil McDougald on a force play, in the third inning of the first World Series game in New York. Gerry Coleman took a bounce by Warren Spahn and tossed to McDougald. (United Press Telephoto.)

Kiwanians Plan Community Work

(Picture on Page 18.)
Plans for next year's Kiwanis community service projects will be a principal activity of the Kiwanis 38th Annual Southwest District Convention, District Governor Fred Rosen said today.

The convention, which includes delegates from Arizona, New Mexico and El Paso, will run through Saturday.

The first of some 1000 delegates registered today.

"The convention will draft resolutions on Kiwanis' programs for underprivileged kids, scholarship programs, and a number of others, to submit to Kiwanis International," Governor Rosen said.

"The local level has to tell International what the real needs are."

Tomorrow many delegates will see Nike Ajax missile firings at McGregor Range.

Juveniles' Car Thefts Anger Federal Judge

Federal Judge R. E. Thomason today said juvenile delinquency is "something that is running rampant and getting plumb out of hand."

Three juveniles pleaded guilty in his court to charges of transporting stolen automobiles across state lines.

"This juvenile business is going on all over the country. All kinds of laws are being violated," Judge Thomason said.

Sons of Soldiers
He indicated he will adopt a more harsh attitude with juvenile offenders. He believes it will take a more firm stand by law officials to curb juvenile crime.

The remarks came as Mr. Thomason questioned Louis E. Arnold, Robert A. Mastagni and Frederick Mayo Plopper about stealing cars.

All three of the youths said they are sons of Ft. Bliss soldiers and attend Burges High School.

"Something is going to have to be done to stop this business," the Judge said.

At another point during the morning court session the Judge told another juvenile, who also admitted transporting a stolen car, that "most courts will give you young fellows one chance."

Old and Young
He was speaking to Donnie Lee Lovell of Odessa, who admitted a previous record for the same offense.

"That seems to be the pattern," Mr. Thomason said. "If something isn't done after the first time, young people come back and do the same thing repeatedly."

When John Albert Dover, 18, pleaded guilty to transporting a stolen car from Tennessee to Georgia, Judge Thomason remarked:

"It seems to be car theft morning. There are two classes, the old experienced and the young."

Emerson McKelvey of Albuquerque pleaded guilty to the same charge and said he had several past convictions.

"You are another one of those charged with the most popular pastime of the day," the Judge said. "But your case is different, you are older and I hope those young people in this court today get something out of hearing from you, a person who should have learned by now it doesn't pay to break the law."

Jay Richard Ebsen, asserted leader of a check forging ring, today pleaded guilty to five counts of transporting bogus checks across state lines.

Ebsen, 21, told Federal Judge R. E. Thomason he was guilty when he was arraigned in U. S. District Court. He will be sentenced later.

Specifically Ebsen admitted he transported five \$100 checks from El Paso to Greensburg, Pa. The checks were drawn on the Old Republic Insurance Co.

The Federal Bureau of Investigation arrested Ebsen here Sept. 2 and termed him the leader of the ring. Two others also face charges. They are Ft. Bliss Army Capt. Arvin Gale, 36, and Lamarr Bailey Jr., 20. Bailey was picked up in Tulsa, Okla., as he tried to cash one of the forged checks.

Edward L. Boyle, FBI agent in charge, said at the time of arrest the amount obtained by the group is about \$25,000.

Ebsen, the FBI claims, was one of two who started the ring's operation last February with a burglary of a Farmington, N. M., firm. Checkbooks of the Continental Casualty Co. and Old Republic Insurance Co. were taken and later cashed.

Captain Gale has been charged with conspiracy to violate Federal laws prohibiting traffic in fraudulent out of state checks.

Whitey Ford Holds Braves To 5 Hits

Milwaukee's Spahn Hammered Off Mound in Sixth

By Associated Press
NEW YORK, Oct. 2. — Lefty (Whitey) Ford limited the Milwaukee Braves to five hits in their first World Series appearance today and the New York Yankees pounded Warren Spahn to cover in the sixth and took the series opener 3-1.

A crowd of 60,476 packed Yankee Stadium and saw the Yanks hammer Spahn for two clinching runs in the sixth inning.

Bill Skowron, the Yanks' clouting first baseman who hadn't played a game since Sept. 13 because of an ailing back, was forced out of action after two innings when he re-injured his back. Elston Howard and then Joe Collins succeeded him.

Yields Seven Hits
The veteran Spahn was touched for seven hits before he was removed with one out in the sixth. Ernie Johnson finished that inning but was removed for a pinch hit. Spahn was the victim of all three.
